

4-WHEEL SCOOTER

OUTSTANDING OUTDOOR
PERFORMANCE **WITH**
LUXURIOUS FEATURES

The Pursuit® incorporates a blend of power, style and performance to handle rugged outdoor terrain. With an active lifestyle in mind, the powerful drivetrain, 24 Volt, 4-pole motor for increased power, 3.56" ground clearance and maximum speed of 8 mph combine power and torque to accelerate your outdoor experience. Standard features include feather touch disassembly, wraparound delta tiller, 13" low-profile solid tires, front and rear suspension, high-back reclining seat, full lighting package that includes directional signals and large lower headlight for pathway illumination, infinitely-adjustable tiller, front basket and rearview mirror. Available in Red and Silver.
